1

NAME **Lexus IS250 Dent Repair - Reposted Across Neighborhoods**

AREA Multiple DFW neighborhoods

LEAD TYPE Dent Pulling / Quarter Panel / Bumper

DESCRIPTION

Looking for Affordable Dent Repair - Lexus IS250 (2008). The vehicle has a dent on the rear driver-side corner / quarter panel. The replacement bumper is already on hand and matches the color, but the dent needs to be pulled before the bumper can be installed. The poster is looking for fair-priced body work.

Note: Same underlying request appeared under Ray Butler, James Banks, Terry Hill and multiple other neighborhood reposts.
